

SERVICE PRO[®] BAR AND CHAIN OIL

Manufactured with virgin base oils

DESCRIPTION: SERVICE PRO[®] Bar and Chain Oil is a premium lubricant designed especially for the lubrication of bar and chains on chain saws, and all types of link chains that require lubrication, including motorcycles and bicycles, as well as farm and industrial uses.

SERVICE PRO[®] Bar and Chain Oil is formulated with highly refined base stocks and an additive package to assure excellent performance as a chain saw bar and chain lubricant. A special tackifier is added to the oil, which promotes good adhesion to moving parts and minimizes oil throw off. These oils are designed to prevent rusting and reduce wear and link breakage thus extending bar and chain life. Penetration into rivet holes and the bat channel is assured. Down-time and cutting interruptions are minimized.

**PERFORMANCE
BENEFITS:**

- Extends bar, chain and sprocket life
- Reduced throw off
- Reduces heat build-up
- Excellent rust and corrosion protection
- Different viscosity weights for various ambient temperatures

**TYPICAL
PROPERTIES:**

	Winter 20W	Summer 40W
Gravity, API	30.8	28.9
Density,	0.8708	0.8808
Viscosity		
@40 Deg. C, cSt	51.29	118.56
@100 Deg. C, cSt	8.21	13.47
Viscosity Index	132	109
Pour Point Deg. F	-36	3
